

ANIMAL LOVERS”!!

Here is your chance to make a difference in 2008!

Oshkosh, WI January 2008 – The Oshkosh Humane Society will be benefiting from a local artisan. Special Occasion Glassware, from Oshkosh will be donating a generous portion of the proceeds from the sales of her unique hand painted glassware. Beginning in the month of January 2008, all sales generated will be helping purchase supplies, food and loving care to the animals of the Oshkosh shelter.

Special Occasion Glassware specializes in beautiful “animal themed” hand painted glassware. Mary Jean Young has a personal interest in these creations. The special glass named “Lucy” was created in loving memory of Mary’s own cat, which passed away in the fall of 2007. As an avid animal lover, Mary would like to enrich the lives of the many residents currently at the shelter.

Please join in the battle to keep these animals, safe, clean and happy while they wait for a loving home. MJY Glass can be purchased online at www.mjyglass1963.etsy.com or call 920-426-0632.
