

*“ Winter is a time for comfort,  
for good food and warmth,  
for the touch of a friendly hand....*

*It is a time for home.”*

*-Edith Sitwell*

*Because of you, they will know the comfort of home this holiday season.*

**Muppet** was found wandering the streets malnourished, scared and ridden with fleas. During his exam at OAHS it was discovered his mouth was full of decayed teeth. OAHS made sure Muppet got the dental surgery he needed so he could eat again without pain. Within days he began putting on weight! Muppet is now in a loving home and will celebrate the season with his new family.

*All of us at the Oshkosh Area Humane Society wish you and yours joy, warmth and comfort this season and throughout the new year.*

**Captain Ben** found his way to OAHS in a very unique way. His finder went to his garage and heard a kitten mewling from inside the new boat he had just purchased and driven from Minnesota. Captain Ben, just about 3 weeks old and too young to survive without a mother, was alone, cold and hungry. He was brought to OAHS and staff was able to put him with a nursing mom who took him into her litter. Ben thrived and, after several weeks, was adopted. Ben is now home for the holidays.
